### **What if one of my employees is not on either of these reports?**

This employee was not loaded. Please load them manually rather than using the CSV upload as there are less likely to be mistakes made.

### **I have received payment but am not sure how much to pay each employee?**

Check the successful payment report where the payment is broken down by employee

### **I did not get paid as much as I was expecting?**

→ The benefit an employee can receive under this scheme will be capped to a maximum amount of R6,730.56 per month per employee. The maximum salary taken into account in calculating the benefits will be R17,712 per month and the employee will be paid in terms of the income replacement sliding scale (38%-60%) as provided for in the unemployment act.

### **I need to add more people to my claim?**

→ You are able to add in new people to your claim:

- Login to the Covid-19 TERS Portal
- Select - “Employee Details”
- Click the orange **Add new employee** button

→ If you are adding employees you will need to do this one-by-one rather than with the CSV

## **I have received confirmation that my CSV was uploaded correctly but when I come back to my profile I see an error?**

**Employer not yet captured.If CSV file is sent. The file was Invalid and hence failed loading. Please Resend the file.”**

**OR**

### **“No Employees Found.Add Employees”**

This means that the CSV upload has failed. Please note the following:

- The system will not detect that the file won't work until it tries to process it, only then will it reject the error, which is why you may have received notification that the upload was successful even though it has now failed
- Ensure that you created the CSV file correctly
- The most likely way to succeed is to manually upload employees one-by-one as there are less chances of making mistakes
- If you have hundreds of employees then use the CSV file, just ensure you fill it out very accurately

## **What happens if the lockdown is extended?**

- The UIF will make payment for a maximum of 3 months.
- If your organisation remains closed during level 4 lockdown, they will be able to continue claiming for TERS (for up to 3 months)
- Applications for May have not yet opened. Keep checking the website for notification of when it opens

## **HOW DO I REPAY THE UIF?**

If one of the following happens and you need to repay the UIF:

- 1.** You received the wrong amount
- 2.** Some of the your workforce have come back to work since your claim, and you've paid all or a portion of their salary to them
- 3.** You applied for the wrong people
